SOA Games announces new partnership for MMO ‘Gods Era’

SOA Games has signed an agreement with **LaiLai Brother Network** to publish the English version of the highly anticipated, action-packed Massively Multiplayer Online (MMO) game “Gods Era”. With the English translation of the game quickly underway, SOA Games hopes to launch Gods Era by **April 2014**.

With its recent success of Luvinia World (www.luviniaworld.com), SOA Games believes that the release of Gods Era is ideal for the competitive games market today. “Gamers are ready and set to play more action-type, MMO style games filled with fun new characters and amazing graphics” says SOA Games CFO Steven Park.
